The Harvest Festival is an annual celebration occurring around the time of the main harvest. Given the differences in climate and crops around the world, Harvest Festivals can be found at various times throughout the world as a celebration of the bounty of autumn. Celebrating a Harvest Festival is a long-standing tradition at Birralee International School. It gives us an opportunity to talk about all the different reasons we have to be thankful as well as thinking about other people and how we can share what we have and how we can be caring, supportive and helpful to others.

As part of our celebration we kindly ask parents and children to bring in products of the harvest like apples and carrots and also other items of food. We make a harvest display as our focal point during the assembly. After the assembly the food will be donated to the Salvation Army.

Please bring in your donations on Thursday September 29<sup>th</sup>. Please note that all donations are voluntary.

**Thank you for your support and help.**
